Navis Quickstart SAQ Guide

IT Governance, Risk & Compliance

Confidential Information

The information contained in this document is confidential to Coalfire Systems and is submitted to the above Organization for the sole purpose of evaluating Coalfire Systems as a business partner and service provider. Use of this document for any other purpose is expressly prohibited. Do not copy or re-distribute without permission from Coalfire.

Getting Started

You will receive an automated email from our Coalfire team with the username and activation link. Sample below:

From: <u>do_not_reply@coalfiresystems.com</u> Sent: Monday, September 13, 2014 10:50 AM To: Customer Name Subject: Your Navis Account

Dear Customer -

A new account has been established for you in the Coalfire Navis[™] platform.

Your username is: Coalfire Systems

In order to begin using the Navis platform, you need to verify your email account. Please click on the following link to continue your new account setup.

Customer Site: <u>http://10.29.100.96?id=323f807e-4678-4be9-9196-</u> 12e9e0c96a13&idval=kFgB9dHA3m11FH6TR38tMZR2RD0841f9W8R6eALTJE4%3d&md=activate

Please note that this link will expire within 72 hours. At the end of 72 hours, you will need to request a new activation code in order to finish the process.

You have been added as a site administrator, so you can add as many additional users from your organization as you like. To add another user from your organization, simply click on "Administration" in the upper right hand corner of the top banner. Then click on "Add new user" on the new screen.

Please don't hesitate to contact us with any questions, comments, or issues. You may contact us directly at <u>servicedesk@coalfiresystems.com</u>.
